1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
 - Part 3 of the [Education Act 2002](#)
 - Part 7 of the [Education and Inspections Act 2006](#)
 - [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
 - [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
 - [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)
-

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

3. Roles and responsibilities

 - Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge

- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data

3.5 Class teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions daily, using the correct codes (see Appendix 1), and submitting this information to the school office on the same day.

3.6 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the attendance officer or designated senior leader where appropriate, in order to provide them with more detailed support on attendance

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 08:45 on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance/parenting contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting Tracy Sherry, attendance officer, who can be contacted via 020 7525 9033 or attendance@brunswickpark.southwark.sch.uk.

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not: this applies to all pupils to foster good attendance habits
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 08:45 and ends at 15:30.

Pupils must arrive in school by 08:55 on each school day.

The register for the first session will be taken at 08:55 and will be kept open until 09:25. The register for the second session will be taken by 13:30.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 08:45, or as soon as practically possible, by calling the school office staff, who can be contacted via 020 7525 9033 or attendance@brunswickpark.southwark.sch.uk, speaking to a member of staff at the school gate or speaking to the class teacher.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised if the pupil's parent notifies the school in advance of the appointment.

Parents/carers need to use the **Absence Request Form** to request leave of absence (Appendix 2)

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- Punctuality is reviewed regularly. If a child arrives late 3 times in one week, parents are contacted, followed by meetings if punctuality remains a concern

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may undertake a home visit or contact police
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the LA Education Inclusion Team
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, act on advice from the LA Education Inclusion Team. This could include issuing a notice to improve, penalty notice or other legal intervention

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via half-termly written reports. Teachers will communicate attendance levels to parents at termly parents' evenings.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Head Teacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Head Teacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Head Teacher's discretion, including the length of time the pupil is authorised to be absent for.

We define exceptional circumstances as one-off events which are unavoidable. Examples may include: the death of a close relative; attendance at a funeral; respite care of a child looked after by the Local Authority; or a housing crisis which prevents attendance.

Below are some examples of where exceptional circumstances **may** be considered. They are not exhaustive. They are unique to each family, and decided following school procedures:

- When a family needs to spend time together as a result of an immediate family member's bereavement, crisis or serious illness
- Funeral of parent, grandparent or sibling
- Children of service personnel about to go on deployment
- A wedding of an immediate family member and the invitation has been provided as evidence
- One off sporting events/performing arts competitions
- An immediate family member's graduation ceremony/passing out parade (one day)
- Break requests for children under social care involvement or those who are looked after or previously looked after
- Religious observance (DfE guidelines permit one authorised day)

Decisions must not be discussed or shared. Failure to adhere to confidentiality may result in decisions being voided at governor level.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

Therefore, leave of absence will not be granted in the first or last two weeks of the academic year.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, accessible via the school website www.brunswickparkprimary.co.uk or the School Office. The Head Teacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Head Teacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

The school promotes good attendance through incentive and reward. Good attendance is celebrated with the award of certificates for classes and individuals, in assemblies, on displays and with incentives such as non-uniform days. The LA Family Early Help and Education Inclusion Teams offer attendance and parenting contracts, used where in-school target-setting, incentivisation and reward have not resulted in sufficient improvement. Parents and the LA agree sustainable attendance targets and the support offered to achieve them in a limited time. Penalty notices are issued if the terms of the contract are not kept, and attendance does not improve.

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

The school takes a multi-agency approach to pupils with complex barriers to attendance, beginning with sensitive conversations with children and families to work with them to put support in place for their individual needs. Support is tailored to children and families, and if necessary with the agreement and support of the external agencies involved with them. In-school barriers are addressed through tailoring provision for children with the resources available.

7.2 Pupils absent due to mental or physical ill health or SEND

The school takes a multi-agency approach to pupils with mental or physical ill health and SEND and their school attendance, beginning with sensitive conversations with children and families to understand the additional challenges posed by their medical conditions and SEND and work with them to put support in place for their individual needs. Support is tailored to children and families, and if necessary with the agreement and support of the external agencies involved with them. In-school barriers are addressed through tailoring provision for children with the resources available.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

The school uses a support first approach to pupils returning to school following prolonged absence. Cases are evaluated individually, and appropriate support put in place to enable the child to return to school full-time at the earliest opportunity with the agreement of parents and external agencies.

8. Attendance monitoring

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)
- Targeting unauthorised absence is done through close monitoring: first day absence calls, SMS, emails and welfare checks

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by the Head Teacher with the support of the senior attendance champion. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour and discipline policy

Requesting absence from school during term time: information for parents and carers:

Page | 16

Please note:

- You are advised that you do not plan for your child to be absent from school without gaining prior agreement from the school first. Head Teachers cannot authorise absence from school retrospectively **under any circumstance**.
- Any disagreement between estranged parents should be resolved prior to submitting this request to the school.

You are required under the Education Act (1996) to ensure your child attends school regularly. Parents and carers are expected to make routine medical and dental appointments outside school hours. There is, however, a discretionary power held by Head Teachers to authorise absence in circumstances that are exceptional. **This is not an entitlement.** Examples of exceptional circumstances are detailed in the Attendance Policy; they are not exhaustive and remain at the Head Teacher's discretion on an individual basis. **Exceptional circumstances do not include holidays.**

The Head Teacher will only authorise absence in line with the Whole School Attendance Policy.

The Head Teacher will not authorise absences if they believe it is to the detriment of a child's education.

Please note that supporting documents to aid decision making must be submitted at the time of your request for absence.

If your request is authorised, you are required to ensure your child catches up on any missed school work. This is your responsibility and the school is not obliged to provide work for your child to complete. Any unauthorised absence will be recorded on your child's attendance records. This may result in legal proceedings against you, either through a Penalty Notice or the Magistrates' Court. Where parents do not follow school procedures of submitting a request and simply remove their child without seeking prior approval, a warning may not be given. Parents must complete an Absence Request Form and submit this to the school, allowing for sufficient time to enable the school to consider the request and inform the parent of the decision.

If your request is declined and you still choose to take your child out of school, the Local Authority may issue each parent within your household a £80 penalty notice for each child you have taken out of school. If a penalty notice remains unpaid after 21 days it will increase to £160. If after 28 days it remains unpaid you may be summonsed to appear before Magistrates to explain why your child has unauthorised school absences and you may be liable for a fine. Support and guidance on attendance is always available and if you have any questions about this, or if you need help to achieve an improvement, please contact our Attendance Officer on 020 7525 9033 or attendance@brunswickpark.southwark.sch.uk.
